Schools & Jr. Camps; PGA Professional;  
Director, NIKE Junior Golf Camps in  
Monterey/Pebble Beach; Former U.S. Junior  
Amateur Champion

The plane of the golf swing is an extremely important aspect in learning how to hit the ball well. The golf swing is basically a circle at an angle around your body. The club should swing parallel to the angle the club sits at address. It is the deviations from this angle with the club that cause many miscues of well intended shots.
